LIBRARY TRUSTEES REPORT

Our report for 1974 is encouraging in spite of current uncertainties. First- South Hampton is one of the fourteen Statewide libraries to share in \$8,500.00, AESOP, a 1 year project to establish an audio-visual center with material and programs for children.

Second - A \$100.00 award from the State for maintaining State library standards, to be used for adult reference or non-fiction books.

Third - The Selectmen are thanked for having the storm windows installed which makes the Library more comfortable and saves on heat.

Fourth- The friends of the Library donated a sum of money for shelves which have been installed by Paul Stefanski. Walter Ross painted the new construction and walls which make the room more attractive as well as efficient. Nancy Dennett donated curtains to the Library. Miriam Ross served as interim Librarian during the Summer.

Special thanks to all who have helped. We are looking forward to continued support from Friends of the Library and Townfolk.

FIRE DEPARTMENT REPORT

The town had a total of 22 fire calls in 1974 --- all still alarms.

Building fires	0
Car fires	2
Brush and Woods	5
Grass	1
Smoke investigations	5
False alarms	1
Car accident	2
Public assist	1
Mutual aid	5

The South Hampton Fire Department covered twelve calls unassisted, which saved the town twenty two hundred dollars. We were able to aid Amesbury four times this past year. Also, we had one mutual aid call to Kensington for a house fire.

The town of South Hampton has now joined the Rockingham County Mutual Aid Association. This enables us to gain help for a fire from any town in Rockingham County at no charge. In turn, if our town's fire department is needed, we will respond to other towns. Also, I have set up an agreement with the surrounding towns of Massachusetts for mutual aid. Again, we receive the needed equipment at no charge through our mutual aid headquarters. The Town of East Kingston and the Town of Newton were both called for mutual aid to our town this past year for woods fires.

Again, as in the previous year, the men on the department attended Lilly Pond Training School in Laconia, N.H. and Fitzwilliams Training School in Fitzwilliams, N.H. This have them state certifications in fire fighting courses. Also, the men completed a state course in fire hydraulics and pumps at the town hall. We have held several training sessions at our bi-monthly meetings. I am attending N.H. Vocational Technical College for a degree in Fire Science. I have attained 18 college credits in this program. Each member of the department has between 75 and 100 hours of training. Also, we have completed the inside of the fire station. All of these man hours were of no expense to the town.

SOUTH HAMPTON TOWN REPORT

Four fire drills were held at the Barnard School this past year. All of the children and the teachers evacuated the building in excellent time. Also, in October, the department held its annual fire prevention program at the school.

I think a special thanks should go to the Town of Seabrook for the gift of an 800 galon tank truck. Also, all of the other towns that have been helpful to our department have our appreciation.

In closing, I must say, that with no building fires this past year, it shows that you -- the townspeople -- are doing a great job in fire prevention.

If a fire should occur or you need an ambulance-----call the Amesbury Fire Department -- 388-1616. If I can be of any assistance to you-----call my home at -- 394-7590.

This year as in the Past we wish to thank everyone who worked along with us this past year. We purchased 2 sets of Bar strobe Lights. Which have worked out very Well. We have put in long hours answering many varied calls at all hours of day & nite. We have givin free time & mileage to organazitions Such as Bike Athorn. Last year we tried for a New Cruiser at no cost to town. Which was dedeated in doing this we did not ask for more money to run dept. We were voted 12c mile last year to help dedray costs but no money was availble - So this year we are asking for 2,000.00 of Revenue Sharing funds to help us in defraying costs of maintaining our vehicles. Gas tires etc. We are asking for 3,000.00 from Tax payers for labor costs & Equipment or such needs that arise.

This past year I have answered 221 calls 47 complaints attended 5 fires. 11 breaks two which have been solved, Covered 19 accidents had 5 burnt cars, 3 stolen, 4 abandoned. Drive my own vehicle 6,567 miles at expense to myself put in over 704 hours plus all expenses trip to meetings & assited in seven calls from other towns.

Larry has put in over 300 hours driving over 3,000 miles & has answered 54 calls and been with me on various other calls and has also borne expenses himself.

Therefore 2,000 is for mileage and such and 3,000 to run Department Labor.

SOUTH HAMPTON TOWN REPORT

SUPERINTENDENT'S REPORT

To the School Board and Citizens of South Hampton.

I submit, herewith, my annual report for the South Hampton School District.

Working under a State mandate, the Staff Development Committee has completed the local Staff Development Master Plan which has been approved by the School Board and the Superintendent. Teachers in the District have also been asked to react to the Plan. The State Department Staff Development Team will now review the Plan for endorsement.

As everyone is aware, inflation has been rampant this year. As of this writing, the Consumer Price Index increase is estimated to be 14% for 1974. Increased prices have already been noted in the cost of fuel oil, electricity, textbooks, paper, and other consumable materials. Hopefully, 1975 will see a return to normalcy.

The Assistant Superintendent for Special Services has been engaged in the curriculum investigation, testing procedures, staff evaluation, and special education. Local Staff Development sub-committees are in the process of being elected. Curriculum committees in each of the subject areas are continuing their activities.

We have 270 certificated and 95 non-certificated employees in the Supervisory Union affecting the education of 4,357 students. In an attempt to better educate your children, it is inevitable that changes will take place. All of this is done with maximum planning, within the confines of the law, and with the knowledge of your School Boards.

The following are December, 1974 enrollment figures for the six school districts that make up Supervisory Union #21:

I thank all of you who have assisted me in the performance of my duties over the past year.

Respectfully, submitted,

RICHARD C. HAMILTON
Superintendent of Schools

COPY OF MINUTES

The annual meeting of the South Hampton, New Hampshire School District was called to order at 8:03 p.m. by Moderator Horace Cressy, with Donald Hellen making the motion to begin the meeting, seconded by Charles Ducharme. The warrant now attached to page 202 was read.

ARTICLE I The moderator asked for a motion for permission for the representative of the Union Office and the principal of the school to speak if called upon. Audrey Miller made the motion, seconded by Charles Harlow. Voted in the Affirmative. Peter Eaton moved that Article I be accepted as read. Tom Harlow Seconded, voted in the affirmative.

ARTICLE II Dr. Schmidt moved that this article be accepted as read, seconded by Walter Shivik, voted in the affirmative.

ARTICLE III AND IV

ARTICLE III AND IV Tom Harlow moved that we pass over articles 3 and 4 for the moment and take them up at the end of the warrant. Seconded by Audrey Miller, voted in the affirmative.

ARTICLE V Peter Eaton moved that this article be accepted as read. Mr. Robert Nolet, S.U.#21, Business Administrator, spoke on this article stating there always has been insurance and this article is making it legal. Article seconded by M. Harlow, voted in the affirmative.

ARTICLE VI Dr. David Schmidt moved that the amount of \$178,762.45 be raised and appropriated under this article. It was stated the transportation figure was for one year instead of a five year contract. Also salaries are fixed for the next two years because of negotiations. Various questions were answered under this article. Priscilla Schmidt seconded, article voted in the affirmative.

ARTICLE III With all the other articles taken care of, Article 3 and 4 was the next order of business. Mr. Tom Harlow asked that the meeting be adjourned until Tuesday, April 23rd at 8:00 p.m. to clarify any legal steps whereas the school board has been notified about the land after the budget meeting was held. The intention

of acquiring the land, would be for a larger play area for the children to keep them off the common and out of the road; and if there is an increase of children, we have space to build a small addition.

It was brought out in discussion, that the school board has only a verbal agreement with Willis Buxton at an offered price of \$38,000.00 to the school and that the school board was unanimous in acquiring if possible. Much discussion by townspeople followed on the pros and cons of having the property and its uses.

Charles Spear made a motion, "that we adjourn the meeting on articles 3 and 4 until April 23rd at 8:00 p.m.". James Miller seconded, voted affirmative. Mike Santosuosso asked that the school board inform people of future plans and James Miller, Chairman of the Budget Committee made a motion "that one selectman and one member of the budget committee of the town of South Hampton work with the South Hampton School Board on the considerations and legal procedures of acquiring the Buxton property." Vincent Early seconded the motion with an amendment added to read, "to be appointed by the moderator." Voted affirmative.

ARTICLE VII Vincent Early moved on this article seconded by JoAnn Morse. A straw vote was taken by the school board which showed 74 for and 2 against the buying of the buxton property. At 10:05 p.m. Pat Cornwell voted to adjourn the meeting, seconded by Audrey Miller, Voted in the affirmative.

Moderator Horace Cressy call the adjourned South Hampton School District meeting to order to discuss Articles 3 and 4 of the warrant that were tabled on March 12th.

ARTICLE III Tom Harlow read a letter received from town council with his legal opinion, indicating that a specific item, sites and building be increased by an amount of up to 10% of the total budget and that the amount of the planned increase would fall well within the legal limits.

A long discussion among townspeople regarding the cost of the

SOUTH HAMPTON TOWN REPORT

property was held. Tom Harlow made a motion that "Mr. Robert Nolet, Business Administrator of S. U. #21 be allowed to speak on factual matters." Seconded by David Schmidt, voted affirmative. More discussion was held, and Mr. Nolet then spoke regarding the cost of property that has been paid within the union for school expansion.

Tom Harlow moved that we reconsider the budget that was presented to the town in the amount of \$178,762.45. Seconded by David Schmidt, voted affirmative. Tom Harlow then made the motion, "to increase account #1265 Sites, from \$200.00 to \$10,200.00." Seconded by Peter Eaton. Much discussion again regarding the land and building uses if the property is acquired. The school board stated they were still unanimous for purchasing the property. Tom Harlow then made the motion "to accept the budget as amended to read \$188,762.45." Seconded by David Schmidt. Motion voted affirmative.

ARTICLE IV David Schmidt moved that we accept Article 4 as read. Peter Eaton seconded, voted affirmative. A discussion on closing out the Capital Reserve fund was held. Jewell Currier made a motion "that the South Hampton School Board be instructed to only pay \$38,000.00 for the Buxton property, plus legal and closing fees."
